

2010: Year of the Eucharist

What is your parish planning to celebrate the Year of The Eucharist?

In response to Bishop Sartain's announcement that the Diocese of Joliet will host a "Eucharistic Congress" in the spring of 2011, and that this Congress will be preceded by a Diocesan year of the Eucharist in 2010, please be advised that Mayslake Ministries is proud to offer a three day Parish Mission on the Centrality of Eucharist in the lives of Catholics.

The Eucharistic Parish Mission offers the following format:

First Day:	<i>Eucharist: Invitation to Transformation</i>
Second Day:	<i>Eucharist: Pathway to Healing</i>
Third Day:	<i>Eucharist: Renewed Call to Discipleship</i>

This Eucharistic mission can be tailored to fit the needs of your individual parish and can be offered both as morning & evening sessions, or evening sessions alone. The goal of this parish mission is to bring about spiritual renewal for your parishioners through the celebration of Eucharist.
