Now celebrating our 20th anniversary!

*Living with a centered heart
requires balance.*

During this retreat we
will explore our personal worlds
through reflection, conversation,
prayer, visualization and
movement.

The balance of mind, spirit,
body and soul *can* be found
when we take time out to focus
ourselves in a new way.

The concepts of friendship,
forgiveness and gratitude *can*
be tools for holistic living as
we seek out our best and most
precious selves.

God wants only peace for us;
it's up to us to develop that
peace with a centered heart.
Let's begin.
