**Gain the inspiration to create your own Encouragement Journal!**

There are times in our lives when we need encouragement. Sometimes God gives it to us in the most unexpected ways. Journaling those moments can help us remember and appreciate all the good things God is doing in our lives. Creating our own Encouragement Journal can be a keepsake of these moments.

she shares with you the inspiration of her own Encouragement Journal. You will then be able to create your own journal. You are asked to bring a blank journal with a plain cover (a composition notebook works well). You will then use art supplies to personalize the cover for the journey you are on. There will be time incorporated to make a written entry into your journal to get you started. This is a great project for anyone interested in capturing God's sweet surprises even in the most difficult of circumstances.
