The Mysterious Ways of God ...and us

Tuesday, May 8, 2012

7pm - 9pm

Mayslake Ministries in Lombard

We live our lives forward and understand them backwards. We have often heard the phrase "God works in mysterious ways." The mysteries of the Rosary help us reflect on the moments of grace in the life of Jesus and our Blessed Mother, Mary. We take time to reflect on these special moments. How has God worked through the mysteries in your life?

This reflective and interactive evening is intended for all who wish to deepen and enrich their faith life. Attendees will learn to recognize God's grace in the mysteries of their own experience. Examples from our inspiring church leaders and other stories will be used.
